

# Could've Gone Mad

Poe

I'm so glad that you decided to come  
Go ahead make yourself comfortable darlin'  
I've got a proposition for you  
There's a room available inside of my heart  
And I hope it will be taken by you

You can bring whatever you want to bring baby  
Each and everyone of your friends  
And if you want a dog or a big bullfrog  
Hell I've even got room for them

I'm so glad you decided to come

Another day and I could've gone mad  
Another day and it might've gotten bad  
Another day and I might have betrayed  
Every scruple I have

You cause in me an impossible craving  
That cannot be denied  
If I decided to make you my religion  
I think God would be kind

So I made a wish on a million of her stars  
And registered your name on a few  
That way if you forget who you are  
You can look up and see a picture of you

I'm so glad you decided to come

Another day and I could've gone mad  
Another day and it might've gotten bad  
Another day and I might have betrayed  
Every scruple I have I'm so glad you decided to come

Another day and I could've gone mad  
Another day and it might've gotten bad  
Another day and I might have betrayed  
Every scruple

I have to keep a hold of myself  
Is that really you or is it someone else  
I swear it looks just like him  
I wonder can he see what a state I'm in  
Like a broken bridge  
I gotta swing on him like a jungle gym

Father: I've been inside her house  
I've experienced her madness  
And I rejected the entire experience

Another day and I could've gone mad  
Another day and it might've gotten bad  
Another day and I might have betrayed  
Every scruple I have I'm so glad you decided to come

Another day and I could've gone mad

Another day and it might've gotten bad  
Another day and I might have betrayed  
Every scruple
