

# Hello

Poe

Hello, hello  
Are you out there?  
M.O.D. are you out there?  
I can't see your face  
But you left a trace on a data back-road

That I almost erased  
Not even God takes this long to get back  
So get back  
'Cause I hit a fork in the road

I lost my way home  
I'm cut off from out main line  
Like a disconnected modem

Hello  
Tap in the code  
I'll reach you below  
No one should brave the underworld alone  
Hello, hello, hello  
How do I reach you?

Word has it on the wire  
That you don't who you are  
Well if you could jack into my brain  
You'd know exactly what you mean here

Mothers are trails on stars in the night  
Fathers are black holes that suck up the light  
That's the memory I filed on the fringe  
Along with the memory of the pain you lived in  
Hello

I don't have the password  
But the path is chainlinked  
So if you've got the time  
Set up the tone to sync  
Tap in the code  
I'll reach you below

Hello, hello  
Are you out there?

Trigger happy Jack

He scares easily  
It makes him so angry  
At me

And his head it spins around  
Just like the Exorcist and I  
Find it ever so  
Hard to resist his cries

But there's nothing more sadistic than an infant  
Waving his pistol in my face  
He wants me right down on my knees

Crumbling in disgrace

But he underestimates my mind  
I know he's messing with my head  
My only weakness is  
I can't believe the guy could be entirely dead

[Chorus]

Can't talk to a psycho like a normal human being  
Can't talk to a psycho like a normal human being  
Trigger Happy Jack  
You're gonna blow  
But I'm gonna get off  
before you go  
My Trigger Happy Jack is just a  
drive by a go-go

And after awhile he calms down  
And he looks at me like a prince  
But I know I better bite the bullet  
'Cause it's just another one of his  
Jedi mind tricks

But this ain't no headtrip honey  
This is a collision on the road  
And you've got me feeling oh just like a roadkill  
and you know deep down I know

Why do you make me feel like this? (1-2-3-4)  
Why do you gotta be such a dick? (1-2-3-4)  
Why do you make me feeling like this? (1-2-3-4)  
Why do you gotta be such a dick? (1-2-3-4)  
Go-go

And I hate myself  
Just enough to want him  
But I hate him just enough to get off  
But I understand him  
Maybe I'm just crazy enough  
To love him  
Why not? (Why not?)

You can't talk to a psycho like a normal human being...
