

# Hey Pretty

Poe

Well it's 3a.m. I'm out here driving again  
Through the wicked winding streets of my world  
I take a wrong turn break it but I'm too far gone  
I've got a siren on my tale and that's not the fine  
I'm looking for

I see a stairway so I follow it down  
Into the belly of a whale  
Where my secrets echo all around  
You know me now but to do better than that  
You've got to follow me  
Boy I'm trying to show you where I'm at

Hey pretty  
Don't you want to take a ride with me?  
Through my world  
Hey pretty  
Don't you want to kick and slide with me  
Through my world

Well I've got a mind full of wicked desings  
I've got a non-stop-whole in my head-imagination  
I'm in a building that has two thousand floors  
And when they all fall down  
I think you know who their falling for  
I can't forget I am a sole architect  
I built the shadows here  
I built the crown of thorns I fear  
You know me now but to do better than that  
You've got to follow me  
Boy I'm trying to show you where I'm at

Hey pretty  
Don't you want to take a ride with me?  
Through my world  
Hey pretty  
Don't you want to kick and slide with me  
Through my world  
Hey pretty  
My pretty baby  
Rock it through my world

Hey now  
Can't you feel me longing  
Hey now  
Me  
(You get the gist of the song now?)

Hey pretty don't you want to take a ride with me?
