

## If You Were Here

Poe

If you were here  
I know that you would  
Truly be amazed  
At what's become of what you made

If you were here  
You would know how I treasured every day  
How every single word you spoke  
Echo's in me like a memory of hope

When you were here  
You could not feel the value that I placed  
On every look that crossed your face  
When you were here

I did not know just how I had embraced  
All that you hid behind your face  
Could not hide from me  
'Cause it hid in me too

Hello tiger, it's great fun, talking with you. like this--in fact I'm going to do it more often

Now that I'm here I hear you and wonder if maybe you can hear yourself  
Ringing in me now that your somewhere else.

I miss you a lot

'Cause I hear your strange music gentle and true  
But I'm so proud of everything you do there

Singing inside me with the best parts of you  
Next time I see you you'll proudly sing it back to me  
Now that I'm here

I hope somewhere you hear them too  
Now that I'm here  
I love you...  
It's okay you can go now
