

# Junkie

Poe

I know how wear the costume  
I know how to wear the mask  
I even like the feel of having to ask  
I like the sound of your whistle  
I like the way you wear your grin  
I even like the taste of my will caving in

I'm not a junkie for your love  
I'm not a junkie  
I'm not a junkie for you love  
I'm not a junkie  
Don't tell the captain  
Don't you tell him what I've done  
Keep it coming  
Keep it coming  
Stop

This is such a sweet collaboration  
You got the power & I got the shame  
Funny thing is we both want somebody to blame

I'm not a junkie for your love  
I'm not a junkie  
I'm not a junkie for you love  
I'm not a junkie  
Don't tell the captain  
Don't you tell him what I've done  
Keep it coming  
Keep it coming  
Stop

I'm not a junkie for your love  
Go tell tell captain  
Won't you tell him what I've done
