

Junkie

Poe

I know how wear the costume
I know how to wear the mask
I even like the feel of having to ask
I like the sound of your whistle
I like the way you wear your grin
I even like the taste of my will caving in

I'm not a junkie for your love
I'm not a junkie
I'm not a junkie for you love
I'm not a junkie
Don't tell the captain
Don't you tell him what I've done
Keep it coming
Keep it coming
Stop

This is such a sweet collaboration
You got the power & I got the shame
Funny thing is we both want somebody to blame

I'm not a junkie for your love
I'm not a junkie
I'm not a junkie for you love
I'm not a junkie
Don't tell the captain
Don't you tell him what I've done
Keep it coming
Keep it coming
Stop

I'm not a junkie for your love
Go tell tell captain
Won't you tell him what I've done
