

Today

Poe

Standing in the doorway
Of my life in this house
Trying to find a way to get out
Looking for a sign
That I should open the door
This craziness is getting me down
But today is the day
We break free
Walking down the stairway
To the traffic below
Anything could happen
I know
But I'm sick of everybody
Telling me what to do
I hear you
Hey but I already know
And today is the day
We break free
It's clear in my mind
After all of this time
What I feel my love
There are so many times
That the sun doesn't shine
But I'm here my love
And today is the day
Maybe I should wait
Just a minute or two
It's getting cold now
I feel so insecure
The future is a mistress
That is so hard to please
And the past
Is a pebble in my shoe
