

## Today

Poe

Standing in the doorway  
Of my life in this house  
Trying to find a way to get out  
Looking for a sign  
That I should open the door  
This craziness is getting me down  
But today is the day  
We break free  
Walking down the stairway  
To the traffic below  
Anything could happen  
I know  
But I'm sick of everybody  
Telling me what to do  
I hear you  
Hey but I already know  
And today is the day  
We break free  
It's clear in my mind  
After all of this time  
What I feel my love  
There are so many times  
That the sun doesn't shine  
But I'm here my love  
And today is the day  
Maybe I should wait  
Just a minute or two  
It's getting cold now  
I feel so insecure  
The future is a mistress  
That is so hard to please  
And the past  
Is a pebble in my shoe
