## Pachinko

## **The Pogues**

I'm walkin' down Roppongi The night is hot and smoggy I drink a little coffee A sake and a beer

I run into a ginja man He speaks but I don't understand He grins at me and takes my hand And whispers in my ear

I play Deji Pachi, I play Deji Pachi I play Deji Pachi in my Pachinko dream I go Uchi Domi, I go Uchi Domi I go Uchi Domi in my Pachinko dream

My senses all asunder I stand and stare in wonder There's bright light and there's thunder In Pachinko land

Well versed in the way of Zen My pockets lined full of yen I walk the aisle and back again And sit at Domo's hand

I play Deji Pachi, I play Deji Pachi I play Deji Pachi in my Pachinko dream I go Uchi Domi, I go Uchi Domi I go Uchi Domi in my Pachinko dream

I'm on the lexus fever My hand tight on the lever I'm shrieking like a diva Staring in a trance

Turn the handle to the right A stream of silver balls in flight It screams and howls a blaze of light The earth moves below me I'm laughin' tears of sheer delight as I go Uchi Domi

I play Deji Pachi, I play Deji Pachi I play Deji Pachi in my Pachinko dream I go Uchi Domi, I go Uchi Domi I go Uchi Domi in my Pachinko dream
