## **The Auld Triangle**

A hungry feeling Came o'er me stealing And the mice were squeeling In my prison cell And that auld triangle went jingle-jangle All along the banks of the royal canal

Oh! to start the morning The warden bawling "get up out of bed, you! and clean out your cell!" And that auld triangle went jingle-jangle All along the banks of the royal canal

Oh! the screw was peeping And the loike was sleeping As he lay weeping For his girl sal And that auld triangle went jingle-jangle All along the banks of the royal canal

On a fine spring evening The loike lay dreaming And the sea-gulls were wheeling High above the wall And that auld triangle went jingle-jangle All along the banks of the royal canal

Oh! the wind was sighing And the day was dying As the loike lay crying In his prison cell And that auld triangle went jingle-bloody-jangle All along the banks of the royal canal

In the women's prison There are seventy women And I wish it was with them That I did dwell Then that auld triangle could go jingle-jangle All along the banks of the royal canal
