

The Ghost of a Smile

The Pogues

You gotta walk that mile honey child
You gotta walk that mile honey child
Well, I'll show you what is hip
As we walk down Leeson strip
And I'll do it for the ghost of a smile

Just the ghost, the ghost of a smile
Just the ghost, the ghost of a smile

You can't take it with you when you go
You can't take it with you when you go
You gotta walk, walk that mile
And I'll be with you honey child
And I'll do it for the ghost of a smile

Just the ghost, the ghost of a smile
Just the ghost, the ghost of a smile

Don't wait too long, don't wait too long
Don't wait too long or I'll be gone

Don't wait too long, don't wait too long
Don't wait too long or I'll be gone

Just the ghost, the ghost of a smile
Just the ghost, the ghost of a smile
Just the ghost, the ghost of a smile
Just the ghost, the ghost of a smile

The ghost of a smile
The ghost of a smile
The ghost of a smile

Just the ghost, the ghost of a smile
Just the ghost, the ghost of a smile
Just the ghost, the ghost of a smile
