

Big Walk

Poi Dog Pondering

Take a trip 'round this great big world
There are many things that I've never seen,
many places that I've never been but I'd like to.
Global Village, under one sun,
that means one for all and all for one.
This great big world is for everyone.
India, Africa, Canada, and Thailand too.
Afghanistan, Australia, Tahiti and Russia, too.
Suniva's way up in Canada, we wanna know
"What's it like?"
There is no nationalism, there is no sole religion
Those are ideals of the past, they don't work here anymore.
