

## Everybody's Trying

Poi Dog Pondering

I know you're bitter, but why?  
Don't you know that two wrongs don't make a right?  
It's not that simple  
But everybody's trying to figure it out  
I feel so detached today, I don't know  
It's not that simple, It's not that simple  
It's all that we can do to try and work it out.
