

How You Live (Turn Up The Music)

Point Of Grace

Wake up to the sunlight with your windows open
Don't hold in your anger or leave things unspoken
Wear your red dress
Use your good dishes
Make a big mess and make lots of wishes
Have what you want but want what you have
HMMMMMM
And don't spend your life lookin back

Turn up the music
Turn it up loud
Take a few chances
And let it all out
Cause you won't regret it
Lookin back from where you have been
Cause it's not who you knew
And it's not what you did
It's how you lived

So go to the ball game
And go to the ballet
Go see your folks more than just on the holidays
Kiss all your children
Dance with your wife
Tell your husband you love him every night
Don't run from the truth cause you can't get away
Oh No...
Just face it and you'll be okay

Turn up the music
Turn it up loud
Take a few chances
And let it all out
Cause you won't regret it
Lookin back from where you have been
Cause it's not who you knew
And it's not what you did
It's how you lived

Ohhhhh
Wherever you are and wherever you been
Now is the time to begin

To give to the needy
And pray for the grieving
Even when you don't think that you can
Cause all that you do is bound to come back to
You
So think of your fellow men
Make peace with God but make peace with yourself
Cause in the end there's nobody else

Turn up the music
Turn it up loud
Take a few chances
And let it all out
Cause you won't regret it

Lookin back from where you have been
Cause it's not who you knew
And it's not what you did
It's how you lived

Cause it's not who you knew and it's not what
You did
It's how you lived
