

My God

Point Of Grace

All my life, You have been with me
How could I pretend not to see
I was walking on the line
I was wasting precious time
All I know is that you love me
If I call you will set me free
It's a promise that you made
It's a truth that will not fade
Please help me to remember

My God will never let me down
My God will turn my world around
He loves me even though
I know I don't deserve Him
My God will never turn away
He's with me every single day
He's broken all the chains and
Set this captive free

Seems to you all your hope is gone
Never found a love that strong
It's a chance you have to take
It's a choice you've got to make
I hope that you remember

My God will never let me down
My God has turned my world around
He loves me even though
I know I don't deserve Him
My God will never turn away
He's with me every single day
He's broken all the chains
And set this captive

My God will never let you down
My God can turn your world around
He Loves us even though
We know we don't deserve him
Our God will never turn away
He's with us every single day
He's broken all the chains
And set this captive free
