Santa Claus Is Coming To Town

Point Of Grace

I just came back from a trip along the Milky Way I stopped off at the North Pole to spend the holiday I called on old dear Santa Claus to see what I could see He took me to his workshop and told his plans to me

Now Santa is a busy man he has no time to play He's got millions of stockings to fill on Christmas Day You better write your letter now and mail it right away Because he's getting ready his reindeers and his sleigh

You better watch out, you better not cry You better not pout, I'm telling you why

He's making a list and checkin' it twice He's gonna find out who's naughty or nice

Santa Claus is coming to town Santa Claus is coming to town Santa Claus is coming to town

He sees you when you're sleeping He knows when you're awake He knows if you've been bad or good So be good for goodness sake

Oh, you better watch out, you better not cry You better not pout, I'm telling you why

Santa Claus is coming to town Santa Claus is coming to town Santa Claus is coming to town

Little tin horns, little toy drums Rooty toot toots and rummy tum tums Curly head dolls that cuddle and coo Elephants, boats and kiddie cars too

Santa Claus is coming to town Santa Claus is coming to town Santa Claus is coming to town

The kids in girl and boyland Will have a jubilee They're gonna build a toyland All around the Christmas tree

So you better watch out, you better not cry You better not pout, I'm telling you why
