

# The Giver And The Gift

Point Of Grace

Three men and a star in the sky  
Oh what I would give for a wisdom so bright  
One girl with a journey to make  
Oh how I wish I was that brave

Fearless, shameless, faith through the dark  
How I wish I was as strong as they are

You say come to me wait no more  
I give you all you're asking for  
Forget the lies this world has told  
I'll wrap your life in linen gold  
I'm more than just only  
One night that's holy  
I'm your star and I'm your wish  
Cause I am both the giver and the gift

A child far away born in the night  
Too young to know what is meant for his life  
But he'll grow and he'll love more than anyone can  
And the world's gonna see a light where he stands

He'll say come to me wait no more  
I give you all you're asking for

Forget the lies this world has told  
I'll wrap your life in linen gold  
I'm more than just only  
One night that's holy  
I'm your star and I'm your wish  
Cause I am both the giver and the gift

Christmas Eve, all I see  
Is snow on the trees  
And its white and it glows  
That's how I want to be

And You say come to me wait no more  
I give you all you're asking for  
Forget the lies this world has told  
I'll wrap your life in linen gold  
I'm more than just only  
One night that's holy  
I'm your star and I'm your wish  
Cause I am both the giver and the gift  
The giver and the gift
