

The Love Of Christ

Point Of Grace

How long (how long)
How wide (how wide)
Is the love of Christ
How deep (how deep)
How high (how high)
Is the love of Christ

It would take ten thousand lifetimes
To comprehend, a love with no beginning
A love that knows no end

How long (how long)
How wide (how wide)
Is the love of Christ
How deep (how deep)
How high (how high)
Is the love of Christ

More than any heart could measure or ever hold
His love could fill the oceans
'Til they overflowed

How long (how long)
How wide (how wide)
Is the love of Christ
How deep (how deep)
How high (how high)
Is the love of Christ

Higher than the mountains
Deeper than the ocean
Farther than the reach of the sky
Wider than the heavens
Longer than forever
Greater is the love of Christ

How long (how long)
How wide (how wide)
Is the love of Christ
How deep (how deep)
How high (how high)
Is the love of Christ
