

# You Are The Answer

Point Of Grace

They line the wailing wall  
The masses fill up st. peter's square  
Confessions, emotions  
Spill out of desperate prayer  
I know they're not alone  
They've come to face penitence stone  
I hear the voices, the souls in need of you, 'cause

You are the answer  
And the meaning of life  
To hearts in darkness  
You're the source of light  
As we walk this human road  
Every question will find  
You are the answer

Across the playground yard  
Another future society  
Living and learning  
The way it's suppose to be  
The days of truth grow dim  
Your hand must reach and write them  
The message of hope that can only be found in you, 'cause

You are the answer  
And the meaning of life  
To hearts in darkness  
You're the source of light  
As we walk this human road  
Every question will find  
You are the answer

You shined your light in me  
When I had no way  
Rescued my dying heart  
That I could not save  
And not just for me but for the world today

You are the answer  
And the meaning of life  
To hearts in darkness  
You're the source of light  
As we walk this human road  
Every question will find  
You are the answer
