

Way You Do

Pointed Sticks

Well I met a girl
She looked the way you do
She looked the way you do
Yeah, looked the way you do

And I met a girl
She dressed the way you do
She dressed the way you do
Yeah, dressed the way you do, the way you do

And I saw her walk
She walked the way you do
She walked the way you do
Yeah, walked the way you do

And I heard her talk
She talked the way you do
Yeah, talked the way you do
She talked the way you do, the way you do

But it's not
Oh no, it's not
Oh no, it's not
No, it's not really you at all

Well I kissed that girl
She kissed the way you
She kissed the way you do
Yeah, kissed the way you do

And I had this though
That she was really you
That she was really you
That she was really you

But it's not
Oh no, it's not
Oh no, it's not
No, it's not really you at all

No, no, no, no, no

But it's not
Oh no, it's not
Oh no, it's not
No it's not really you at all
