

Aimless walking fruitless talking
Don't know what to do tonight
Future shocked and out of pocket
don't know where to go tonight
Got a restless feeling like I'm grieving
For something that I never had
It's a long light evening and I'm in need
Of something that I never had

Tragic - sex magic
Confuses me and screws my mind
Hear me Cupid
I may be stupid
But a good love is hard to find
Shameless hoping
And I'm really not joking
I don't know where to go tonight
My blameless state is so frustrating
Can't you put me in the know tonight
If I don't relax I tell you
Something's gonna crack
So let me out the door
Yeah I gotta lack of something
I need to find out
What it is I'm waiting for
Tragic - sex magic
Confuses me and keeps me awake
Hear me Cupid
I may be stupid
But a heart is so easy to break

Feeling sexless
It's time I got more reckless
Time to move around
This breathless state is so frustrating,
I know it's time to move it around
If I don't relax I tell you
Something's gonna crack
So let me out the door
Yeah I gotta lack of something
I need to find out
What it is I'm waiting for

Tragic - sex magic
Confuses me which way to turn
Hear me Cupid
I may be stupid
But oh I'm ready for learn
