

# No More Lies

Poison Girls

No more lies - no more hammerhead lies  
No more lies - no more featherbed lies  
No more lies  
No more hammerhead, featherbed lies  
No more lies  
No more turnscrew, turns of the screw  
No more lockout, lockjaw, lockdoor lies  
No more silent, slapface, silent lies  
No more lies - no more deadleg, fireiron fibs  
No more lies  
No more livebait, fatworm, sweet talk  
No more crawlhole, hideyhole, easy hypocrisy  
No more maimed and twisted, mismatched fantasy  
No more cut'n'dried lies  
No more clatter of lies  
No more chattering, blockbrain, blockdrain lies  
No more lies

No more dayglo, coldwar, chainsaw lies  
No more hot air, radioactive, half lies  
No more wall-to-wall, alibi, carpeted stories  
No more lies - no more silverlined promises  
No more gold leaf, wafer thin lies  
No more spiderweb, ninelife, two-time tricks  
No more rabbits paw, good luck, one-for-the-road lies  
No more just-for-my-own-good idiot secrets  
No more lies

No more uptight, downtown, good old whitewash  
No more clampdown, clench teeth, rat's-nest, pipe dreams  
No more tight-arsed, priest-hole, dumbwaiter lies  
Pinchpenny, miser-mean, sting-stingy half truths  
Swallow down, tightthroat, tightrope lies  
No more knock-kneed, yellowbellied lies  
Prettypaint, lipstick, gumdown, thicktongue, paralyzed lies  
No more trickles of truth  
No more tongue-twister, brain-blister, cut-throat lies  
No more lies  
No more blindfold, mouthgagging lies  
No more lies  
No more button down, butter up lies  
No more pinprick, kiss-me-quick lies  
No more bedside manner, bedtime lies

Give me a shocking din  
And a babbling babble of fools  
No more lies  
No more bare faced lies

Naked my eyes, plain to see  
Naked my lips, like we used to be
