

Old Tart's Song

Poison Girls

If I had my time again
I'd like to come back as a man
If I had my time again
A cock and not a hen
I don't want to be like my mother
Hang behind, fall behind
Wait on all the others
If I had my time again.

If I had another life
I'd get myself a wife
If I had another life
To care for me by day and night
I don't want to be like my mother
Hang behind, fall behind
Wait on all the others
If I had another life.

I used to be a tart
Sold myself as art
Now I feel just like my mother
Her price is low ... she doesn't bother

Everybody has their price
UP YOURS!
