

Take The Toys

Poison Girls

Take the toys from the boys
 Made a bomb out of cotton
Take their hands off the guns
 Made a bomb out of coffee
Take their fingers off the trigger
 Made a bomb out of sugar
Made a bomb

Take the toys from the boys
 Gotta make a living
Take their hands off the guns
 Gotta make a killing
Get their fingers off the button
 Gotta get a promotion
Made a bomb

Take the toys from the boys
 Made a bullet out of rubber
Take their eyes off the dials
 Made a cannon out of water
Get their minds off the money
 Gotta make a killing
Made a bomb

Made a bomb out of cotton
 Made a bomb out of coffee
Made a bomb out of sugar
 Made a bullet out of rubber
Made a bomb out of music
 Made a hit with a record
They made a bomb
