## Motorhead

**Poison Idea** 

Sunrise, wrong side of another day Sky high and six thousand miles away Don't know how long I've been awake Wound up in an amazing state Can't get enough And you know it's righteous stuff Goes up like prices at Christmas Motorhead, you can call me Motorhead, alright Brain dead, total amnesia Get some mental anesthesia Don't move, I'll shut the door and kill the lights I quess I'll see you all on the ice All good clean fun Have another stick of qum Man, you look better already Motorhead, remember me now Motorhead, alright Fourth day, five day marathon We're moving like a parallelogram Don't move, I'll shut the door and kill the lights If I can't be wrong I must be right I should be tired And all I am is wired Ain't felt this good for an hour Motorhead, remember me now, Motorhead alright
