Poison the Well

Gouge out my eyes / pestilence
Lack of love binds / propagate / the strife you desire
Keep me from forced self depiction / abhorate
Self assured I am no more
Take this away from me once more
Thirsted for something that never existed
Complacent / I am abomination / I replace
Absence of malice / sew my mouth shut
The silent sound of the end / I drown in tears
Sinking in dreams / Of what I once owned
I avoid the setting of the sun (2x)
Memories fade as you did once before
Stole hope from right under my eyes
Accomplice of my death
