

please just this once, do this for me
ive seen you in clouded visions saying goodbye
i rememer when we were gonna sit eachother down
and explain ourselves
always busy blame myself
your color was blue myself is making me feel that way
i apologize apologize you're old enough to take care of...
if we cant speak go back to your bed so you'll be here
when i wake up
and im worried with no reason why
harm is an acquaintance and it says its not very fond of you
just this once "stay" i say
"ill see you soon" he says
until you come back i will stay awake
your color was blue myself is making me feel that way
i apologize apologize you're old enough to take care of...
