

Blame It on You

Poison

She's got pizzazz
Like a razzmatazz
I'd like to slide it in
But where do I begin

Wastes all my money
Spends all my time
I ain't got no luck
I can't change her mind

Blame it on you
I can't stand up
Blame it on you
I'm keepin' my mouth shut
Blame it on you
I can't see straight
Blame it on you
Uh-oh, too late

I want a little reaction
How 'bout a kiss or two?
She said, "jump back honey,"
I said, "no can do."

Why do you always
Make a fool out of me?
I can't get no nookie
Just plain to see

Wastes all my money
Spends all my time
I ain't got no luck
I can't change her mind

Blame it on you
I can't get no sleep
Blame it on you
I'm in six feet deep
Blame it on you
Well I guess it's true
Blame it on you
Yes, I do

I blame this whole damn mess, honey
Right on you

Wastes all my money
Spends all my time
I ain't got no luck
I can't change her mind

Now listen little girl, let me explain
Why you got me in such a terrible way

She's got pizzazz
Like a razzmatazz
I'd like to slide it in

But where do I begin

Wastes all my money
Spends all my time
I ain't got no luck
I can't change her mind

Blame it on you
I can't stand up
Blame it on you
I'm keepin' my mouth shut
Blame it on you
I can't see straight
Blame it on you
Uh-oh

Blame it on you
I can't get no sleep
Blame it on you
I'm in six feet deep
Blame it on you
Well I guess it's true
Blame it on you
Yes, I, yes, I do
