```
Well the talk on the street
Says you might go solo
A good friend of mine saw you leavin by the back door
I need to know (I need to know)
I need to know (I need to know)
If you think youre gonna leave
Then you better say so
I need to know (I need to know)
I need to know (I need to know)
Because I dont know how long
I can hold on
And if your makin me wait
If youre leadin me on
I need to know (I need to know)
I need to know (I need to know)
Who woulda thought
That youd fall for his line
All of a sudden its
Me on the outside
I need to know (I need to know)
I need to know (I need to know)
If you think youre gonna leave
Then you better say so
I need to know (I need to know)
I need to know (I need to know)
Because I dont know how long
I can hold on
And if your makin me wait
If youre leadin me on
I need to know (I need to know)
If you think youre gonna leave
Then you better say so
I need to know (I need to know)
I need to know (I need to know)
Because I dont know how long
I can hold on
And if your makin me wait
If youre leadin me on
I need to know (I need to know)
```

I need to know

I need to know (I need to know)
I need to know (I need to know)
