

# I Want Action

Poison

I want action tonight  
Satisfaction all night

I grab my hat and I  
I grab my shoes  
Tonight I'm gonna hit  
The streets and cruise

Down the main strip and  
Check it out  
With those schoolgirls  
A hangin' around

Now I'm a sucker for a pretty face  
I don't care if she's in leather or lace  
cause I'm just lookin' for a little kiss

I want action tonight  
Satisfaction all night  
You've got the love I need tonight

Long legs and short skirts  
These girls hit me where it hurts  
I can't wait to get my hands on them  
I won't give up 'til they give in

Now I'm not lookin' for a love that lasts  
I need a shot and I need it fast  
If I can't have her, I'll take her and make her

I want action tonight  
Satisfaction all night  
You've got the love I need tonight

Hey, sweetheart, slide on in here  
No, not in the front, jump in the back  
Why?  
Cause there's something back there  
I want to show ya

I want action tonight  
Satisfaction all night

Ah, come on honey, I wasn't that bad!  
Oh, well

I want action tonight  
Satisfaction all night  
You've got the love I need tonight

I want action tonight  
Satisfaction all night  
You've got the love I need tonight
