

# I Won't Forget You

Poison

Late at night I close my eyes  
And think of how things could have been  
And when I look back  
I remember some words you had said to me

It's better to have lost at love  
Then never to have loved at all

I won't forget you baby  
Even though I could  
I won't forget you baby  
Even though I should, yeah

Sometimes in my head  
I can still see pictures of you  
And I laugh to myself  
When I think of all those crazy things that we used to do

Although miles come between us  
Just between you and me

I won't forget you baby  
Even though I could  
I won't forget you baby  
Even though I should, yeah

I should let you fade away  
But that just wouldn't be me  
Oh, baby

Although miles come between us  
Just between you and me

I won't forget you baby  
Even though I could  
I won't forget you baby  
Even though I should, yeah

I won't forget you baby  
Memories slowly fade  
I won't forget you baby  
And all the plans we made

I won't forget you baby
