

# Lay Your Body Down

Poison

I spent my life waiting  
For that famous final scene  
I believe you know the one  
Where she falls in love with me

As for you,  
You've been faking your smile  
Filling your time on small talk and cheap wine  
Knowing in your heart  
There was someplace you'd rather be

So right or wrong  
I wrote you this song  
To tell you how's I feel  
Don't put up no fight  
You just turn on the lights  
Walk over here to me

Lay your body down on me  
Down on me, tonight, oh yeah  
Let your tears fall down on me  
Down on me tonight, oh yeah

As for me,  
I've lied, denied to,  
fight with and tried to  
Apologize for all my ways  
To all the women  
Yet they're fool enough to fall in love with me

You played your role, like a movie  
Forgot your lines, who is, who was, who would be  
Somehow you lost track while real love slipped away

So for tonight, lets turn off the lights  
And let those real feelings show  
There's no wrong or right, but until you try  
You're never gonna know

Lay your body down on me  
Down on me, tonight, oh yeah  
Let your tears fall down on me  
Down on me tonight, oh yeah

Before you was mine  
I was so lonely  
Ain't it a shame,  
That I must feel pain  
Before you can get back on your feet again

So lets draw the blind  
Forget wasted time  
Let them old demons die  
Take a hold of my hand  
And you'll understand  
Why love's worth one more try
