## The Glow of the Flames

Poisonblack

Temptation awaits as she opens the gates and I kneel down before her The scent of her rides in the breath of the night and I'm breathing the curse

I breathe and I drown in the circle of fire the glow of the flames And I embrace the demon-desire the glow of the flames in my eyes

The pleasure and pain... now they are the same for I have fell from grace I've been waiting for so long for the feeling this strong for this bliss of escape

I breathe and I drown in this funeral pyre the glow of the flames and I embrace the demon-desire the glow of the flames in my eyes
