The Time Has Come

I close my eyes And I can see The day we met Just one moment and I knew You're my best friend 'Do anything For you We've gone so far And done so much And I feel Like we've always been together Right by my side Through thick and thin You're the part of my life I'll always remember The time has come It's for the best I know it Who could've guessed that you and I... somehow, someday We'd have to say goodbye. You've helped me find The strengh inside And the courage To make all my dreams come true How will I find Another friend Like you Two of a kind That's what we are And it seemed Like we were always winning But as our team Is torn apart I wish we could go Back to the beginning The time has come It's for the best I know it Who could've guessed that you and I... Somehow, some way We'd have to say goodbye. Somehow today... ...we have to say goodbye.
