

# You And Me And Pokemon

Pokémon

The magic feeling...  
It's grown so strong...  
Always leaves me...  
To a place where I belong...  
Won't go away...  
Never let me down...  
I've got the greatest friends...  
That ever could be found...

Across every river!  
Behind every tree!  
On top of every mountain!  
They're apart of you and me!

One world!  
One world... Now and forever!  
Best friends!  
Best friends... Loyal and true!  
One dream!  
One dream... Put side and side!  
There's nothing we can't do!  
One hand!  
One hand... Helping the other!  
Each heart!  
Each heart... Beating as one!  
We live!  
We live... Always together!  
Sharing the same bright sun!  
You & me & Pokemon!

They rush like water...  
They soar like the wind...  
They're always with me...  
Every day that I begin...  
They burn like fire...  
They chill like ice...  
They take on any challenge...  
Make any sacrifice...

Across every river!  
Behind every tree!  
On top of every mountain!  
They're apart of you and me!

One world!  
One world... Now and forever!
