

Go down

Polemic

1. Go down

You'll recognise the feeling, when
Nobody wants to know your opinion
Then isn't easy to grit the teeth
But life is going on

2. Go down

There are hundreds of questions
And every answer makes no sense
That's one of the reasons
Now i tell you

R: Do what you want, as you feel it
Do what you want as you feel it now

When you go mad it'll be too late

3. Go down

And you'll see that people
Complicate own life`s with pleasure
How big is the measure
Of their blindness

R: Do what you want...

*: You don't have to go down

To see you have only
You have only two choices
Hamlet had the same problem
Do what you're feeling now
