

Never in the corner, luck of life  
See/ Up/ Higher, never in style  
I've a habit in life, keeping wild at reach  
Gonna turn me into the type  
Shadow's light never eats  
Flic flac you're a habit to me  
Flic flac you're a habit to me  
I've got space in the light of lime  
A not to me, A nod to time  
Exhausting out in the arch of night  
Faraway/ Out/ you're going to see  
I'm at a loss of faith, you're a changed belief  
Scored the goods for my baby, it's enough  
so we hurry to leave  
Flic flac you're a habit to me  
Flic flac you're a habit to beat  
I've got space in the light of lime  
A not to me, A not to time
