17 white chalk face  
Gold and chrome  
Boy, light my flame  
I'll do the run the dive the shake  
No and please  
Are not the same  
Not the same  
Spades and black jack  
Basketball  
Letters to prison, no one to call  
Eleven pit bulls at your door  
You can't have me anymore  
Anymore  
Who is the starlit, I am  
Who is the harlot, I am  
Who is the diamond, I am  
Who is the lion, I am  
Who is the starlit, I am  
Who is the harlot, I am  
Who is the lion, I am  
I fell for many but none fell for me  
I fell for many but none fell for me  
Mary, marry, wear your ring  
My new bullet, my new thing  
Oh my new thing  
Who is the starlit, I am  
Who is the harlot, I am  
Who is the diamond, I am  
Who is the lion, I am  
Who is the starlit, I am  
Who is the harlot, I am  
Who is the lion, I am  
Spades and black jack  
Basketball  
Letters to prison, no one to call  
Eleven pit bulls at your door
