I miss you x9

Where are you x3

I'm lost x4

Where are you x4

I'm lost x4

Suicidal tendencies,
Drink creative or deep
Autopilot
Love the music

Sick
Sleep [x10 fade]
I love you x8

I don't want to disappoint you, oh
Because you hold me, oh
Before I fall
You're my unconditional love
You're my eyes and you're my sunny days
But when my pen hit the paper
And try to mould and sculpt and shape her
And make her lovely
It wasn't good enough
It wasn't good enough
But when I can hear the paper
And try to mould and sculpt and shape her
And I try to love it
But it still hurts to touch
It still hurts to touch

And it hurts to touch
And it hurts to touch
And it hurts to touch
And it hurts
To touch

And it hurts to be here
I don't want to be here
And it hurts to be here
Tonight x2

And it hurts to be here (suicidal tendencies)
I don't want to be here (drink creative or deep)
Goodnight,
My love
