

Feather Of Forgiveness

Polvo

When you asked me what was on my mind
And said that you could keep it to yourself
You lied
Cause i've got the feeling you can't
I told you things i should have kept inside
And i know it's my fault cause i opened up the vault
But i will never think of you the same

I want to cover you with flowers of forgiveness
I want to touch you with the feather of forgiveness
I want to put you in a light that will hurt your eyes
I want to cover you with flowers of forgiveness

When you asked me what was on my mind
Well i thought that i was talking to a friend of mine
But i get the feeling that you're not
Something strange is gonna come your way
And i don't want to sound like a paranoid clown
But i will never think of you the same

I want to cover you with flowers of forgiveness
I want to touch you with the feather of forgiveness
I want to wash you in a river of forgiveness
I want to wrap you in the fabric of forgiveness
I want to put you in a light that will hurt your eyes (3x)
I want to cover you with flowers of forgiveness
