

## Be Still

Pomplamoose

Darling, don't just go quite yet  
I think you look so pretty  
There's not much I wouldn't do  
To keep you here beside me

I know you have your dreams  
And I don't want to take them from you  
It makes you want to scream  
And I'm not helping when I hold you  
But I need to say that I love you  
And that I always will  
I need to lay and behold you  
So darling won't you be still?

Take this token of my praise  
And hide it deep within you  
Save it for the rainy days  
And I'll be thinking of you
