

Centrifuge

Pomplamoose

Swing swing, baby
Try to keep your chin up
No point losing face
Shake shake, baby
Throw out your agenda
Takes up too much space

We are the part time centrifuge
We are the only sign of

Drink drink, baby
Down that margarita
There's no passing grade
Dream dream, baby
Like there's no tomorrow
Like you're getting paid

We are the part time centrifuge
We are the only sign of
