

Don't Stop Lovin Me

Pomplamoose

My friends will always love watching stupid movies
Your homies will always love dating younger girls
We will always fight for a million reasons
Will you always love me the way you do?

Fight yeah, fight yeah
Love me the way you do

Don't stop lovin' me, lovin' me, lovin' me the way you do
Cause honey nobody, nobody makes me feel the way you do

Our friends will always brag about their vacations
Will we ever do it on airplanes?
Do it, yeah, do it yeah, do it on airplanes.

Don't stop lovin' me, lovin' me, lovin' me the way you do
Cause honey nobody, nobody makes me feel the way you do

Will you always love me the way you do, the way you do
Don't stop lovin' me, lovin' me, lovin' me the way you do

Will you always love me the way you do, the way you do
Don't stop lovin' me, lovin' me, lovin' me the way you do

Don't stop lovin' me, lovin' me, lovin' me the way you do
Cause honey nobody, nobody makes me feel the way you do

Will you always love me the way you do, the way you do
Don't stop lovin' me, lovin' me, lovin' me the way you do
