

Cloud City

Pond

Welcome you to Cloud City
Capital of the sky
Where all the girls are so pretty
And all the boys are so
High, ah, ah, ah

Cloud city, cloud city
Cloud city

Welcome you to Cloud City
Where the (?)
And melting golden popsicle
And God (?) that you can only find
Cloud city

Cloud city, cloud city
Cloud city

It's a Cloud City on a windy day
When heat and day were in a milky way now
