

Don't Look At The Sun Or You'll Go Blind

Pond

Live in the ocean, give it a try
If you won't live here, why won't you die?

Don't look at the sun or you'll go blind and I [?] like an ocean
Don't smoke grass or you'll get high and die, so let's go to the ocean

Get in the ocean, give it a try
If you won't live, why won't you die?

Don't look at the sun or you'll go blind and I [?] like an ocean
