

Eye Pattern Blindness

Pond

Everyday I wake physically weaker than before
In my growing mind dreams have left behind a sign that there wa
s more
Colourless and vague, thoughts they slip away with the daylight
Can I get them back? What can I do to get them back inside?

Into the delay the sounds don't carry on into the days
All I've left to find the parts are realizing all collecting th
oughts
Blackness sit, awaits and slumber hits the rain outside my wind
ow
With a brand new day I got some things I really have to find
