

Hobo Rocket

Pond

Blast off, this is hobo rocket, star rider
Star rider riding through the Universe at twice the speed of light
Where do I find my horse with wings?
Riding through the Universe at twice the speed of light
Where do I find my horse with wings?
The cosmic express leaves tonight
Where do I find my horse with wings?
The cosmic express leaves tonight
Star rider, where do I find my horse with wings?
Riding through the Universe at twice the speed of light
Motorcyclist! Hetrocyclist!
Where do I find my horse with wings?
Riding through the Universe at twice the speed of light
Star rider [?]

What kind of chemistry and biology do you know?
What kind of drugs you on, man?
What kind of drugs you on?

Ha-ha-ha, that finished?
Ezekiel, thunder and lightning
The cosmic express tonight, thunder and lightning

All done? That good? Get him in here
(Can we just try something?)
It's two only and a half minutes, no, no, we're not rehearsing
We're going to do this professional and it only happens once
Get, Nick, in here, please, yeah, okay, Nick
