

## Future Of A Nation

## Pony Pony Run Run

I look so fake, so  
Don't call me juniory 'cause I'm twenty-one  
I mustn't fall in disgrace  
Do I look better in my brand new jacket

Are you down tonight  
I'm down too

We are young  
There's too many temptations  
ouh ouh ouh ouh ouh ouh ouh  
We are strong  
The future of a nation  
ouh ouh ouh ouh ouh ouh ouh

I've got to find the reason to  
Commit yourself  
I just need it  
You'll be so drunk at the party tonight  
I will do my best

We are young  
There's too many temptations  
ouh ouh ouh ouh ouh ouh ouh  
We are strong  
The future of a nation  
ouh ouh ouh ouh ouh ouh ouh

Are you down tonight  
I'm down too  
(3x)

We are young  
There's too many temptations  
ouh ouh ouh ouh ouh ouh ouh  
We are strong  
The future of a nation  
ouh ouh ouh ouh ouh ouh ouh

Down too

(solo)

We are young  
There's too many temptations  
ouh ouh ouh ouh ouh ouh ouh  
We are strong  
The future of a nation  
ouh ouh ouh ouh ouh ouh ouh
