

Girl I Know

Pony Pony Run Run

I say fine
I tell you
To spell it correctly
(A Girl I Know)

She lays down
In my suit
It's never too late
(A Girl I Know)

Please rent my flat
And pay my wishes
I know you can do it

I am almost under age
Daily routine's on the way

Shoot me down
Shoot me all away
(Shoot me down)
(Shoot me all away)
'Cause I'll be fine
No matter what you say
(Shoot me down)
(Shoot me all away) (2x)

Shoot me down
Shoot me all away
(Shoot me down)
(Shoot me all away)
'Cause I'll be fine
No matter what you say
(Shoot me down)
(Shoot me all away) (2x)
