## Pony Pony Run Run

You 've gotta hold on me baby  
Can't meet Somebody else  
And I know, and I know you

Come take a ride with me honey  
In my brand new car  
Trust in first, let's be furious

Lie me baby, ( I ain't free)  
Do you care ? ( you looks pretty pretty )  
Lie me baby, ( I ain't free)  
Do you dare ? ( you looks pretty pretty )

You've gotta hold on me baby  
Can't meet somebody else  
And I know, and I know you

Come take a ride with me honey  
In my brand new car  
Trust in first, let's be furious

Lie me baby, ( I ain't free)  
Do you care ? ( you looks pretty pretty )  
Lie me baby, ( I ain't free)  
Do you dare ? ( you looks pretty pretty )

Lie me baby, ( I ain't free)  
Do you care ? ( you looks pretty pretty )  
Lie me baby, ( I ain't free)  
Do you dare ? ( you looks pretty pretty )

Lie me baby, ( I ain't free)  
Do you care ? ( you looks pretty pretty )  
Lie me baby, ( I ain't free)  
Do you dare ? ( you looks pretty pretty )

Lie me baby, ( I ain't free)  
Do you care ? ( you looks pretty pretty )

Lie me baby, ( I ain't free)
